OBITUARY.

Departed this life December 11, 1886, in Jackson, Miss. Maria A. Habria, in her 78th year. After the subject of this tribute quietly and sweetly surrendered her pure spirit to the Giver of every good. A native of Spottsylvania county, Virginia, she came with relatives in early life to five in the city to. The amily then moved to Missisappi, and resided near Jackson since. Shortly after her marriage she was the file and character afford a rich legacy of sweet memories to relatives and investments. Kindness, benevalence and love beamed from all her acts and looks. In all the trials, lesses and surferings she was the same faithful, consistent, explay wife, mother and friend. Such was the tenor of her life that if she ever hard on it. Her life was largely a ministry of love. To those who knew her best, her life and character will ever be wreathed in leanty and loveliness. On motion, the accounts were allowed, and warrants ordered t	0 00 18-
sued in payment thereof.	

On motion, the Mayor and City Marshal were authorized to appoint such extra policemen during the holidays as may be necessary. The following ordinance in regard to the discharge of fire-works within

certain limits, was submitted: Be it Ordained, by the Board of Mayor and Aldermen of the City of Jackson That on account of the danger from fire-works, and because of the large amount of cotton on the streets, and in the store-houses in the vicinity of the squares between Tombigbee street on the south, Pearl street on the north, and President street on the west, to the eastern boundary of the City, no fire-works are allowed to be discharged within said limits, or in the direction of said locality. Any person violating this ordinance will be subject to arrest and fine.

The ordinance was adopted. G. D. Bustamante, Esq., came before the Board, and submitted some remarks in regard to action by the city authorities in the matter of extending courtesies to the Convention of Dairymen, Fruit-Growers and Lumbermen, to be held here on the 16th and 17th days of February,

Therenpon the Board adopted the resolutions following, to-wit: Whereas, This Board having been informed of the holding of a Convention in this city, upon the 16th and 17th of February next, of the Dairymen, Fruit-Growers and Lumbermen of this State, with visitors from the North-West, who are in search of lands and investments in Mississippi, therefore be it

Resolved, That this Board take pleasure in welcoming said Convention to our city, and that his Honor, the Mayor, be authorized to take all necessary steps to facilitate the labor of the Convention, and that he tender the courtesies of this City to said Convention. Resolved, That the citizens of Jackson and vicinity be requested to tender such hospitalities as they deem proper to the members of said Convention, and that they co-operate with the Mayor and Board in

their attentions to said Convention. Resolved, That his Honor, the Mayor, and three members of this Board, with citizens of this City, be constituted a Committee of Reception to receive the members of the Convention His Honor, the Mayor, submitted the following report of survey, and the same was ordered to be spread upon the minu

Jackson, Miss., November 18, 1886. Hon. John McGill, Mayor of the City of Jackson: DEAR SIR-According to your request, I made the measurements neces

sary to establish the line of the west side of West street from Capitol street to Pascagoula street. The west side of West street, by these measurements, is five feet farther east than as laid down on H. C. Daniel's city map. This loss of five feet appears to occur on the first square east of West street.

In measuring southward from Capitol street along the west side of West street, I find that the fence at the northeast corner of Phillip Hilzim's lot is 2 feet and 1 inch on the street. The fence at northwest corner of West and Pearl is 3 feet and 9 inches on West street, and 1 foot and 4 inches on Pearl street. The house at southwest corner of West and Pearl is 91/2 inches on West and 111/2 inches on Pearl.

The fence at northwest corner of West and Pascagoula is 2 feet and 7 inches on West and 4½ feet back of Pascagoula. The fence at southwest corner of West and Pascagoula is 1½ feet back of West and 4 feet on Pascagoula. These measurements are based on the supposition that the west side of West street will be allowed to remain on the line of the fence on the east side of the Government Building, at the corner of West and

Capitol streets. It is probable that, to avoid too much removal of fences

and buildings, some allowance will have to be made on the south side of Pascagoula street, which is about 4 feet farther north than laid down on the city map.

Very respectfully, Yours, T. J. Adams, County Surveyor of Hinds County, Miss, In compliance with section 16 of an act entitled, An Act to incorporate ithe Natchez and Jackson Railroad Company, approved July 21, 1870, t was ordered, that the result of the election held in this City on November

29, 1886, on the question of a subscription to the stock of said Railroad Company, be entered upon the minutes of this Board, and the same is ac-FOR SUBSCRIPTION. AGAINST SUBSCRIPTION North Ward 7 votes. 73 votes. South Ward 8 " West Ward.....
